Manager's Report

- a) FYI: We received a refund from CRASIF for \$10,869.
- b) FYI: Federal aid funds there is a penalty if Michigan isn't enforcing drunk driving laws.

Public Comment was received at this time from Berney Kann. He presented a printout of the Michigan vehicle code. Without a sign, the speed limit is automatically 55 mph. The law says that if they are in a subdivision the speed limit should be 25 mph. He thought we were the ones that set speed limits but found out recently that it needs to go through the township and state police first. He is also asking for some tree removal on the inside curves of Cedar Run Rd. Jim Cooper said he would go take a look.

A **County Commissioner's Report** was received at this time from Tom McCauley. He said that he attended the Health Department meeting, and they say that COVID rates are increasing. There were 1,029 new weekly cases and 200 more deaths than last month for the state of Michigan. They are also seeing overdose deaths from horse tranquilizers.
